NARRATIVE:

Julian Barron has an extensive adult criminal history that began at the age of 24. His convictions include robbery with the use of a firearm, grand theft, theft of personal property, under the influence of a controlled substances, falsifying financial statements, passing fraudulent checks, using the credit cards and ID of another, possessing illegal checks and failing to report. He has served multiple incarcerations, the longest being a 7 year term for possessing illegal checks. Barron was released from state prison to the supervision of the Los Angeles County Probation Department on August 10, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Barron qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for using the credit cards and ID of another is defined as non-serious and non-violent under the California penal code. His criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
